Much is written about leaders, and this book helps to fill the huge gap in what is written for and about followers. The few minutes it takes to read this book could change the rest of your life. I first read it back in 1985 and I re-read it frequently. Hubbard's inspiration for his "preachment" was an obscure but important event in the 1898 Spanish-American War. President McKinley needed someone to quickly deliver a message to an insurgent general somewhere in the jungles of Cuba. An army officer was recommended and McKinley personally handed the message to this officer with the mission to deliver the "message to Garcia." This officer's unhesitating acceptance of his mission with no superfluous questions and his subsequent completion of the mission is Hubbard's

definition of an invaluable subordinate.
