**Download PDF Online Book Standing Up to Goliath: Battling State and National Teachers' Unions for the Heart and Soul of Our Kids and Country Rebecca Friedrichs Free eBook PDF/ePub/Mobi**, In a book that's both accessible and enlightening, Rebecca Friedrichs recounts her thirty-year odyssey as an elementary school teacher who comes face-to-face with the forces dividing and corrupting our schools and culture—state and national teachers' unions. An exciting true story that features real life testimonies of teachers, parents, and kids, as well as political and social commentary, Rebecca's journey leads her to the realization that the only hope for America's schools and families is returning authority to parents and teachers while lessening the grip of state and national unions that:

- Promote a culture of fear and bully teachers and parents into silence.
  - Undermine parents' authority by sexually, socially, and politically indoctrinating kids.
- Use the apple-pie image of the PTA as a "front" to promote a partisan agenda.

These insights and more led Rebecca and nine other teachers to the US Supreme Court where their case, Friedrichs v California Teachers Association, et al., sought to restore the First Amendment rights of all teachers and government employees. They argued no one should be forced to pay fees to abusive, politically driven unions, and were poised to change the very landscape of American education—until tragedy struck.

Saddened but unbowed, Rebecca started a national movement, For Kids and Country, leading the charge of servant leaders who believe Judeo-Christian values (including kindness) and restoration of the teaching profession—possible only by rejecting state and national unions and forming "local only" associations—are the answers to America's woes. She invites you to join them.

"America's teachers, parents, and kids deserve better," Rebecca writes. "If we want freedom, we're going to have to fight for it."
