One of the best ways to **succeed in law school** is to have skeleton outlines prepared in advance of class.

That way, you already have a roadmap of where the day's lecture will go.

This allows you to pay more attention to the lecture and learn the law more quickly, giving you **an advantage over your classmates come exam time.**

This TORTS outline is designed to give you the essential information you need to understand tort law as taught in US law schools.

Use it for preparation prior to class, for review after class, and in advance of your final exam.

The first couple pages FROM THE OUTLINE:

## INTENTIONAL TORTS

### 3 General Rules

1. The extreme sensitivity of a victim is ignored in deciding the elements of a claim - we assume the P is a normal plaintiff
2. NO incapacity defenses (Mentally ill, intoxicated, minor, disabled)
3. All intentional torts require intent.

### Prima Facie Case

1. Act by defendant - The act requires a Volitional Movement by the defendant.
2. Intent - The intent may be either:

Specific - desires to produce the specific legally forbidden consequences

General - knows with substantial certainty that these consequences will result

Transferred Intent - If you intend any forbidden consequence, intent will be transferred to the injured victim. (Try to punch one person and hit another)

Only applies to assault, battery, false imprisonment, trespass to land and to chattel.

### 3. Causation

The result must be legally caused by the defendants act or something set in motion by him. Causation is satisfied if defendants conduct was a substantial factor in bringing about the injury. (Injury DOES NOT need to be foreseeable)

## Intentional Torts to the PERSON

### BATTERY

#### 1. Harmful or offensive contact

(a) Offensive - Reasonable person standard - Not permitted by an reasonable person (Sexual contact, spitting, tapping on shoulder for the time)

(b) Contact is NOT offensive if the plaintiff consented to it. There is implied consent for ordinary contacts of everyday life.

(c) Direct or Indirect - Can strike plaintiff (direct) or set a trap for the defendant to fall into later (indirect) (i.e. Does not have to be instantaneous - poisoning.)

#### 2. With the plaintiffs person

Anything plaintiff is holding, touching or connected to. (Cane, horse, plate, bag)

#### 3. Intent / Causation

**Download PDF Online Book Torts: A 1L Success Guide Outline Matt Racine Free eBook PDF/ePub/Mobi**, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **torts: a 1l success guide outline** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your torts: a 1l success guide outline so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
